January 2023 Newsletter

Once a private Estate known as Porters Park, then a site of a Mental Hospital, Shenley Park is now a unique self-funded Park for all. The Park is steeped in history and hosts an Orchard, Meadow, Woodland walks, Historic buildings and an amazing 2 acre landscaped Walled Garden with an Amphitheatre. The Park is open all year round and is free to use as are the car parks. Events are held throughout the year; it is a perfect base for walks and has a Tea Room that is open daily from 8am.

Happy New Year

WASSAIL!

A very wet but great Wassail, thank you to those that braved the weather and joined us.

Walled Garden wall

Work is underway to make safe a section of wall by building buttresses on the inside.

The Garden remains closed whilst this work is underway.

We have been donated silver birch and rowan trees that will be planted around the meadow by Shenley and Radlett Rainbows and Brownies.

We are also expecting some trees from the Woodland Trust that will be planted as hedging. If you would be interested in helping us plant these please get in touch. We do not know as yet when they will arrive but hopefully by March.

The tennis court situation is ongoing, the subsidence in the corners of the area is very costly to fix. We are hoping to install at least one court back into Shenley Park and are awaiting news of a funding application, as of this month we are still awaiting news.

We will keep you updated here in our newsletters and on our website.

DATES FOR YOUR DIARY
