

Shenley Park April 2023 Newsletter

Once a private Estate known as Porters Park, then a site of a Mental Hospital, Shenley Park is now a unique self funded Park for all. The Park is steeped in history and hosts an Orchard, Meadow, Woodland walks, Historic buildings and an amazing 2 acre landscaped Walled Garden with an Amphitheatre. The Park is open all year round and is free to use as are the car parks. Events are held throughout the year; it is a perfect base for walks and has a Tea Room that is open daily from 8am.

Easter

Beautiful sunny weather was welcomed on our Easter egg hunt. 200 children took part in our search for letters which, when re arranged spelt hot cross bun giving the hunter a chocolate Easter egg.

It was great to see so many families in the park, we had to open a second overflow car park.

Sourcing the eggs was hard work this year, thank you to Alex for getting the second hundred!

Thank you too for the tea room staff for being the start and end of the trail.

Walled Garden

The Walled Garden opened at Easter and will now be open every day 12-4pm (unless closed for a private event or setting up of such event).

The Wall is still waiting approval before the works can be completed. There will be a period when the garden has to close again for the works to be completed, we will post on our website when this is to happen.

Fairies have moved into the Walled Garden. There are 8 houses so far, come see if you can find them.
