Apple Day 2025

As wet but not as windy as last year!

Thank you to all that came and everyone involved in the day

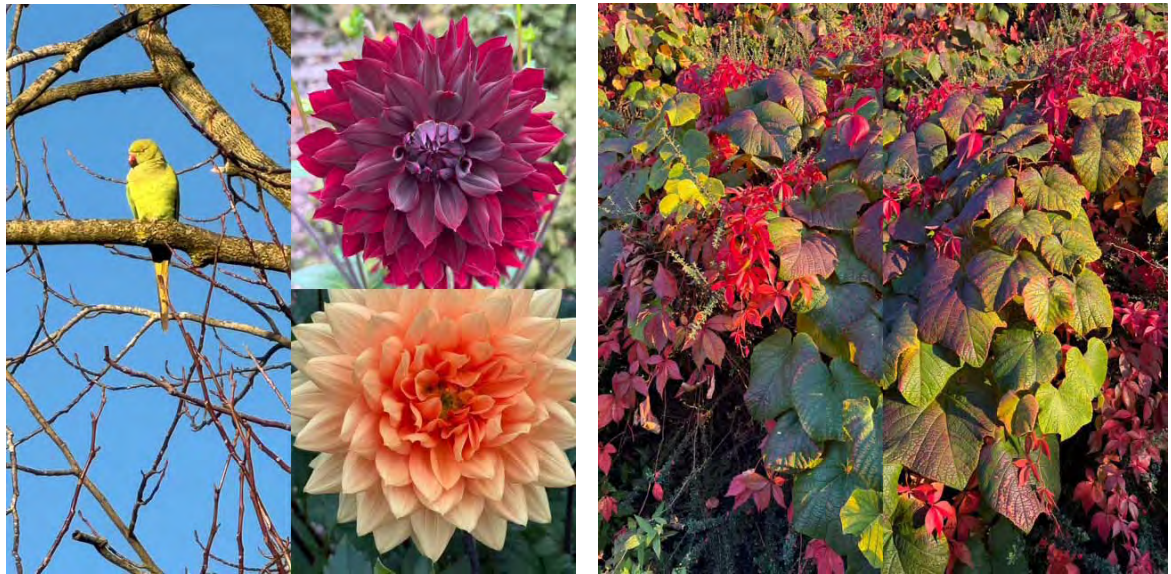

The support for our heritage apples is amazing. We had 49 varieties on the day, great effort from staff and weekend apple picking volunteers for getting them in. We sold more apples than we have for many years and people spent a long time trying many different apples.

Walled Garden

The Garden has survived the many heatwaves and drought well, a late surge in flowers from fuchsias and dahlias complemented the autumnal colours well.

Trustee vacancies

We have some vacancies on our Trustee board. More information and how to apply can be found at:

<https://www.govolherts.org.uk/o/Shenley-Park-Trust/opportunities/Trustee/109280>

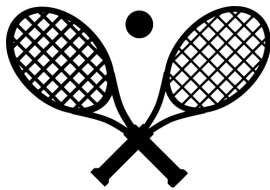

We welcome applications from regular park users who love the park and want to help preserve its history and embrace the future.

AGM of Shenley Park Trust - Tues 20th Jan 7.30pm

Tennis

We have an ongoing issue with our booking system and are currently leaving the courts open between 8-4pm for people to turn up and play. If the courts are not open when you arrive, please ask at the Tea Room. We anticipate the booking system will be up and running again in the New Year.
